Sign Scents | Voluspa Candles For Lovable Bulls

Taurus birthdays are coming up! If have a friend celebrating a birthday soon, gift a candle that speaks to his or her wonderful Taurus traits. Taurus folks tend to be practical, independent, and sensual. They also appreciate beautiful, well-made things, as long as those things serve a purpose and do not break the bank. When it comes to scented candles, Voluspa candles offer the best bang for your buck. One 16 ounce jar will burn for 100 hours while offering a pleasant, noticeable fragrance. Voluspa candles will make your room smell beautiful, but they will not overpower your senses. The coconut wax blend burns clean and beautifully. The jars and tins are too gorgeous to throw away, so frugal Taureans will delight in finding new ways to use the jars once the wax is gone.

The Bull's ruling planet is Venus, so a romantic fragrance like Voluspa candles Ambre Lumiere make a fitting gift. This fragrance is a "warm exotic mixture of light amber, vanilla benzoine & Indonesian patchouli." The patchouli does not come off as pungent, but adds just the right amount of spice to the sweet, indulgent blend of amber and vanilla. Long-lasting

Voluspa Candles Ambre Lumiere

Caitlin from Ontario, Canada gave this fragrance a rave review: What can I say about Ambre Lumiere? WOW. This candle is the absolute perfect balance of sweet and musk. The patchouli is simply amazing, yet the shining star of this candle is the syrupy sweet maple-like scent that will cover every corner of your home with comfort. Ambre Lumiere is one of the rare candles that I can see myself burning all year long, throughout every season. It is so multi-faceted in its scent, you really do get a little bit of everything from this candle. It's exotic, sweet, and comforting all at the same time.

She makes this candle sound so delicious!

Taureans are in some super sultry company. Some of the sexiest celebrities are born under this Earth sign. Imagine lighting Ambre Lumiere for George Clooney, David Beckham, Robert Pattinson, Jessica Alba, Megan Fox, Penelope Cruz, or that earthy, sensual, reliable friend of yours. Who knows? Maybe gifting the perfect Voluspa candles will turn that Taurus friend into something more.
